

Community Partnership Assessment

Thank you for your interest in Children's Eye Physicians, Colorado Center for Eye Alignment and Colorado Family Eye Centers community involvement and support. The practice supports a variety of organizations in Colorado and through its mission, focuses its philanthropic efforts in the following three areas:

Pediatric Vision Development

Advocating Pediatric Wellness and Learning

Pediatric Low Vision

In an effort for the practice to consider your request for our philanthropic support of your organization, please complete the following form providing as much detail as possible.
